About Victorian Village Apartments

Welcome to the Victorian Village Community! We are located in Downtown Marietta on several acres of property that was once used during the Civil War. This historic property currently houses 37 apartments set within four Victorian-style mansions and several cottages. While it is common to find 12-foot ceilings and plenty of antiquated charm within each of our units, you will never find one unit that looks similar to another. We have been careful to preserve each of the buildings' architectural design and unique beauty through modern restorations, resulting in diverse and distinctive floor plans. Vintage feel meets modern living with our newly renovated apartments with spacious floor plans. Victorian Village includes newly renovated kitchens with a stainless-steel appliances for all your cooking needs, vaulted ceilings, original hardwood flooring, and newly renovated bathrooms with a clawfoot tub for a great relaxation time.
